"The Way We Were" WW2 Experiences discussion held in October was well attended and enjoyed by all. As a result, we will be holding another session in the New Year. We invite everyone to bring along any memorabilia or photographs they might have and wish to share. Dates to be confirmed.

- There will be no lunches at The Bungalow in December.
- Millstones has been booked for a Christmas lunch outing on Friday 15th December.
- There will be a Members' Christmas Party at The Bungalow on Wednesday 13th December. Includes Tombola.

We hope you like the **new carpets and decoration** at The Bungalow. Thanks to Paul Turner painter and decorator for a great paint job and his generosity. New exterior movement sensitive lightbulbs and a smart gas meter have also been installed.

The musical entertainment and sing-along hosted by Kevin Loughram last month unfortunately did not generate enough attendance to warrant holding a future event. However, if enough of you request another performance, we will do our best to make this happen.

YOUR COMMITTEE NEEDS YOU

Various committee members including the position of secretary have exceeded their permitted time on the committee and replacement members are required. Anyone interested, please advise any current committee member.

In the last newsletter, we asked all members currently online to confirm their current email address to thornerbungalow@mail.com

This is to enable us to keep you up to date with what's going on, in addition to being able to send out the monthly newsletters more efficiently.

Can we again request, those of you who haven't already done so to please click [here](#) and confirm your email address.

Those of you without email will still receive a hardcopy of the newsletter.

On Wednesday 8th November, 25 members enjoyed a **trip out to Tong Garden Centre**. The journey home was a little squashed due to the vast amount of shopping bags and parcels purchased by all.

Let us know your preferences or suggestions (realistic please) of day out venues and we'll see if we can make them happen.

Computer café sessions continue despite them being poorly attended. Some more formal training courses are being organised and will be publicised in the new year.

MEMBERSHIP RENEWAL INFORMATION

Any new members joining now and paying a full subscription will not be required to pay a renewal subscription in January. All current members will be asked to complete a form upon renewal that will include next of kin details and month of birth.
